

Heelands School Summer 2 Newsletter 2021

Dear Parents and carers,

We are almost at the end of the year and, unfortunately, we are still not out of the woods Covid-wise which is such a disappointment for everyone. We have had to change almost all of our end of year plans but hope to still hold some events although in a slightly different format.

Reports

Your child's report has gone home today in their book bag, if you have any questions or queries about them don't hesitate to get in touch with their teacher either via the office email or the class email account.

Class Swap days

Due to the fire and the ongoing work that is still to be done, we can only have 1 class swap day this year which will be Monday July 12th. Children will spend the whole day with their new teacher. Lions unfortunately won't be in their normal classroom so will spend the day in Zebras classroom and shared area.

Open Evening

Open evening, as normal parent evenings have been impossible to hold this year, we would still like parents to have the opportunity to see their child's work so on Wednesday 14th (weather permitting) we will put children's work outside from 3pm to 5pm which you are very welcome to come and look at and have a quick chat with their teacher and meet next year's teacher too.

Leavers Assembly

We want more than anything to be able to say a proper good-bye to our year two children and to be able to do that safely we will be holding their leavers assembly outdoors at 2pm. To make this possible we will allow Monkeys and Lions to leave school early at 1pm (after lunch) unless they have a sibling in year two in which case they are welcome to sit with you to watch the assembly. If this arrangement is very difficult for working parents, please let us know and we will of-course hold on to your child until the end of the school day.

Many thanks for your patience and understanding in yet another difficult year, we can only hope that better times are ahead!

Best wishes,
Lesley Barnard
