

Heelands School Summer 2 Newsletter 2018

Dear Parents and carers,

Here we are at the last and always the busiest half-term of the year. Please take time to check the dates below as there are lots of visits, trips and performances in the pipeline.

Class Assemblies

Well done to Lions, Elephants, Monkeys and Tigers for their brilliant assemblies last half term!

SATs, Year 1 Phonic check and EYFS Profile

The Year 2 SATs were completed in May and you will receive your child's results with their annual report. Similarly, the Year 1 phonic check and the Early Years Profile results will be enclosed with your child's report too.

Science Week

We had booked a performance from Cosmic Chris for our last Science week but unfortunately he was taken ill and couldn't appear so we are looking forward to seeing him on June 18th for Science Week, Mark 2. As if Cosmic Chris wasn't enough excitement, Electric Ken is also making an appearance later in the week as is Pauline Thompson who will be performing her 'Magical Science'- should be an action-packed week!

Sports Afternoon

With fingers crossed for good weather we plan to hold our sports afternoon on June 29th. This is a fun afternoon of sports activities in mixed-age group teams where parents can accompany their child around the course. Our old pupils, now in Year 6 at BVS join us to help run the activities on the day.

Class Swap days

In July, your child will spend two full days with their new teacher in their new classroom. This gives teachers and children a good opportunity to get to know each other and be well-prepared for September. Children will come in by and be collected from their new classroom doors on those two days so it gives them a real taste of life in the next year group.

Diary Dates

Please keep these dates in a safe place, we will send you further information about individual events nearer the time.

Week beginning June 11 th	Yr1 Phonic Check week
